

LIBRARY COLLECTION

The Thérèse Brady Library was established in 2003 to support the Irish Hospice Foundation's information and education functions. It houses a collection of over 4,000 items on death, dying, and palliative and hospice care and has a specialist focus on bereavement resources.

While the library is primarily reserved for staff and students of the Irish Hospice Foundation, public access and a professional membership option are available.

Bereavement Resources

Children's Grief

RECOMMENDED RESOURCES

CHILDREN GRIEVE
IN THEIR OWN WAY
- A CHILD'S WAY OF
GRIEVING CAN BE
QUITE DIFFERENT
TO AN ADULT'S.

For information on supporting
a grieving child, browse
the resources listed here.
